## **Ladies' Bible Study with *Sandy Sherlock***

**Family Life Center**

Regardless of what the topic, scripture, or lesson theme might be Sandy does a great job in digging deep into God's Word to reveal His truth for our lives. You will find that this class is attended by other ladies who are interested in learning more about God's Word, one another, and in being a source of encouragement to others.

## **Study of Matthew and Mark with *Danny Harp***

**Fireside Rm. (217)**

This study will give insight into and interpretation of Matthew and Mark's Gospels as these books focus on Jesus' identity from the unique perspective of two of His disciples. Each evening will offer participants discussions on overcoming temptation, experiencing a blessed life, learning how to pray, living in love, and maturing spiritually.

## **Adult Choir with *Donny Gergely***

**Choir Room**

All adults (high school age and up) are welcomed and are encouraged to join us every Wednesday evening for choir, directed by our Minister of Worship, Donny Gergely. Not only does choir offer a great place for you to share your gifts in ministry, but it also offers an awesome source of fellowship and fun for those who participate.
