

## Parent Letter for Caterpillar Club Participants:

Hello!

Caterpillar Club has gotten off to a wonderful start, and we are so happy that your child is attending!

I just wanted to inform you of the following guidelines for Caterpillar Club:

-Children may be brought to Caterpillar Club by 5:50 p.m. on Sundays (no earlier) and must be picked up in Room 108 no later than 7:10 p.m. Hopefully this plan will allow you to get to your activity on time. Please be prompt in picking up your child!

-Parents must initial in the Library Log before a child can take resources home. Please do not send an older sibling to pick up your child, as we need the parent's signature in the Library Log.

-Please take care of all resources. You are responsible for replacing any damaged or lost items that you check out. Special care and attention should be given to DVDs and videos so that they will not get damaged.

-Please return your items to the children's library (Room 108) within two weeks of checking them out or call Tammy Harp (453-2951) to renew them if you need more time.

-Place your returns in the black "Resource Return" crate on the library table. Please do not reshelf your items...it will be done for you.

Contact: Tammy Harp (453-2951)
