

North Terrace Church of Christ Band Audition Form

Requirements for Band Auditions

Here is what you'll need to bring:

1. Your instrument, unless you're using a piano or keyboard. You may use ours. If you are playing an electric guitar, bring your amp and any gear you will need to use in order for us to completely understand your playing style and sound. For acoustic guitars that plug in, you can use our system- no need to bring an amp. However, if you need to bring an effects box, bring that for you to use.
2. Please arrive with your instrument tuned if need be and ready to go. We want to minimize the down time between auditions and not focus as much on the setup as we do on the actual audition itself.
3. Other than that, just bring any music you need in order to show us your skills.

Here is a brief description of how the audition will go:

- You will be welcomed by Don Gergely, the Worship Minister.
- You will take 5 minutes or so to set up any gear you have brought.
- Once you are set up you will be asked to play your instrument to show us the mastery level at which you are capable to play. Please play something that is representative of the style you are accustomed to hearing during worship on Sunday mornings.
- You will then be given a chart and asked to play along with another musician or two and a lead vocalist.
- After completing steps 1 through 4 you'll be thanked and you can get your gear packed up and you may either stay to listen to others or leave. You'll not find out any results that night about your audition. We will contact you by phone or email concerning the results of your audition after we have had time to review, talk, and pray about everyone and their audition. This process will take at least one week.

Some areas that you'll be critiqued on:

- ability level
- style
- ability to improvise on the fly
- ability to read chord charts and play along with others
- stage presence

Please fill out and return to the church office or to Don Gergely, Worship Minister.
