

Kids Rules for Online Safety

- 1. I will not give out personal information such as my address, telephone number, parents' work address and/or telephone number, or the name and location of my school without my parents' permission.**
- 2. I will tell my parents right away if I come across any information that makes me feel uncomfortable.**
- 3. I will never agree to get together with someone I "meet" online without first checking with my parents. If my parents agree to the meeting, I will be sure that it is in a public place and bring my mother or father along.**
- 4. I will never send a person my picture or anything else without checking first with my parents.**
- 5. I will not respond to any messages that are mean or in any way make me feel uncomfortable. It is not my fault if I see a message like that. If I do, I will tell my parents right away so they can contact the service provider.**
- 6. I will talk with my parents so that we can set up rules for going online. We will decide upon the time of day that I can be online, the length of time I can be online, and the appropriate areas for me to visit. I will not access other areas or break these rules without their permission.**
- 7. I will not give out my Internet password to anyone - even my best friends - other than my parents.**
- 8. I will check with my parents before downloading or installing software.**
- 9. I will be a good citizen online and not do anything that hurts other people or is against the law.**
- 10. I will help my parents understand how to have fun and learn things online and teach them about the Internet, computers, and other technology.**
