NT Kids Special Needs Ministry: We have two main goals for our NT Kids Special Needs Ministry also known as NT P.U.R.E. Kids. Our first goal is to serve and teach those students that don't fit into a typical Sunday school classroom. Our second goal is to allow those parents and families to be given the time to worship and hear the word of God without the worry of their child's needs and unique challenges. Contact Children's Minister Trudy Sprang for more details.

Parent Cue: Every week we provide resources to help you as parents engage your families at home. These resources are available in the NT Kids lobby or online. They are designed to cue you so you can make the most of the weeks you have with your kids. Take the time to check out the parent cues and invest in God filled time with your family.

Respite Night: Saturday, February 15 (4:00p.m. - 8:00p.m.) For special needs children and their siblings. Sign up at ntkids.org
