### ARTICLE:

The North Terrace elders have selected six men to serve as new church Deacons. As outlined in the Bible (see 1 Timothy 3:8, Titus 1:7, and Acts 6:1-4), Deacons are servants who take on responsibilities the elders deem crucial at any given time.

According to elder Larry Tumblin, the Deacons support ministries that need specific attention, as assigned by the elders:

- Physical examples include organizing and leading chair setup for Sunday morning, communion, offering and also transporting offerings to the bank.
- Their primary spiritual assignment will be to help elders shepherd members of the flock who are not connected to small groups.

The following men were presented to the congregation during the August 27 Leader Huddle. Between now and September 27, any congregational member who knows a Biblical reason a candidate cannot serve can contact Arv Palmer (Elder Chair) or vote “no” on your ballot, and Arv will be in contact. Ballots are available at the Connection Point.
